

# 8 West Bellevue Luxury Homes Investment Offering

## PROJECT SUMMARY

Sponsor plans to build 8 new luxury single family homes targeting the luxury move down market. The Project site is well located next to the desirable Bellevue Downtown CBD Core (within blocks of downtown Bellevue shops and restaurants). Each home will have a master bedroom and den on the main floor as well as BDR's signature expansive covered outdoor living room. This design niche is underserved in this submarket. Sponsor plans to market the 8 homes in the 3.5m to 4.0m price range. It is anticipated the total cost of the project will be \$23.5m. The total cost will be financed with construction loan(s) totaling approximately 18.5m (60% LTV) and investment equity of \$5m. In order to raise the remaining 5m of investment equity, Sponsor is offering one hundred (100) \$50,000 investment shares in a single purpose LLC formed solely to develop the 8 homes. Each \$50,000 investor will be entitled to a priority return of profits representing a 15% annual return on investment, plus a bonus return potentially increasing the total return to .5% of the total profit of the project (50% for all 100 shares). The project site will be purchased in April 2019. It is anticipated that construction on the 8 homes will begin in September 2019. It is anticipated the project will be executed within a 30 to 36 month time frame.
